Thank You Letter

Dear Mr. Mark, I would like to thank you for accepting me in a remote internship during the fall of 2016. I truly appreciate working with you and cannot wait to help with a few projects with you in the year 2017. When there were times I was neervous, you were there to encourage me and help me whenever I needed it with some assignments I had problems with. Hope you have a safe and wonderful holiday!!

Thank you,

Tyler Willis
